

PROXY NOTICE

Immanuel Church regulations allow church members to appoint another person to vote on their behalf. This year the elections are being held between 31 March and 14 April 2024, in advance of the AGM. For anyone who is unable to use online or postal voting during this period, Proxy Voting is still available.

You will need to complete the form and return it **in advance of the last day of voting (14 April)**, so that there is time for your proxy to cast your votes before voting closes. You can send the form before voting starts on 31 March. You can send it by post to Elections c/o 36a Grosvenor Road, Chichester PO19 8RE or scan and email it to admin@immanuelchichester.com. We will send you a blank voting form to use to give your instructions to your proxy.
